250 FOUNDRY ST. South Easton MA, 02375

Superintendent

James J. Hager

To the class of 2000,

Four years ago you came to southeastern from nine different communities. During that time you found new friends and dedicated teachers who gave an education that developed your talent to build and create. Whatever your trade, it's fulfillment will come only in the satisfaction that you have done it well.

Congratulations and best wishes.

IN LOVING MEMORY OF MR. A

The end of the school year should be filled with smiles and laughs, seniors graduating, students and staff getting ready for the summer, and freshman happy, that they will never be called fresh-meat again.

Unfortunately the year did not end like that. The end of this year was filled with tears, not happy ones, but mourning ones.

On June 6th, Dr. O'Neill had to make the horrible announcement to the school that Mr. Amalio Annunziato had passed away, on June 5th.

Mr. A (as everyone knew him) was the Distributive Education instructor for many years. Recently retired from that position in July, Mr. A continued to be the Driving instructor for the Drivers Ed program. He had been the driving instructor for many, many years.

Mr. A was married to a wonderful woman, Helen. He was a great friend, teacher, husband, father, and grandfather.

Mr. A was one of those people who had a heart for anyone. He touched a lot of people and leaves many, many friends. For those who knew him I want you to remember the good times we had with him and who could forget his famous "Mama Mia"

Mr. A I hope you are resting well. I will always remember and love you!

Rest in peace forever and always!

Lindsay Verdone

In Loving Memory Of Mr. Mal Annunziato

I heard the news when I came to school, but for so many others they already knew,
It hurt us all , some more than others, but you're gone now. It's time to suffer
If Mr. A were here, he would tell us to smile, be happy, don't cry, and please don't be hurt,
I came to bring you happiness, and left you all in pain,
I did my job the best I knew; I made so many of you happy and now you're feeling blue,
I'm gone now; there's no turning back, God has me in heaven where I now belong,
He has made me safe under angels' wings,
I'll fly down to Earth to make sure happiness is what I bring,
I may not be there figure and all, but I'm in your memories and remembered by all,
I know I've made an impact on life even if I have only helped one.
But that to me is one less person in sorrow,
I'm in heaven now, watching all I have touched,
Not only with my smile, but also with my words of wisdom,
Now many of you are sad, now you feel hopeless and lonely with no where to turn,
But if you would turn your head down, place both hands together,
Pray to heaven, and I will hear. Hear the words you wish to say before June 5, that tragic day,
When my life was taken without any warning, I went quickly. I did not suffer,
And now I'm gone, I hope you won't either,
I promise to keep you all in my head, my heart, my soul,
I left a wonderful wife and my wonderful children, and my other kids,
My kids, though not through birth, but my children I raised,
The ones I taught how to drive, how to succeed in shop,
And I always had an ear to listen,
But in my heart is where I'll keep you, my friends, until the day we meet again,
But I think it's time to say good-bye, but I didn't want to leave this way,
But nobody asks what way we wish to die,
It happens when it is time, and God decided it was mine.
I want you guys to know, I am always thinking of you no matter which way life goes,
So think of my death as a new beginning,
A beginning to tell people how you feel ,
Because you never know when their lives are going to end.
